Selectmen's Meeting

EMTs FEAR LAWSUITS

Selectmen heard spokesman Judith R. DeMailly read a detailed statement of the fear of a dozen EMTs that they may be liable to suits that would cause them to lose businesses and/or homes should someone they aid in emergency ambulance sue for malpractice. They brought in a magazine article which supported this apprehension. The 12 have not been responding to recent calls because of this fear. They volunteered for E.M.T. training and spent $200. in that training to supplement the police EMTs on the ambulance.

Police Chief James Moran said that he was very concerned that the EMTs have not responded to recent calls and have given no indication to him of that intention. He said that he has life threatening situations to deal with and needs the personnel to run the ambulance. He said that he felt that he should have been informed that the EMTs did not intend to answer their calls to emergencies. Moran said that had they contacted

Studds in Mattapoisett

Representative Gerry E. Studds, 12th District, will be at the Mattapoisett Town Hall on Sunday, November 15th, from 1:00 to 2:30 p.m. for an informal, open meeting for residents to talk with their Congressman.

Manny Nunes Honored

The day belonged to Manny Nunes. The 500 or so people who gathered at the banquet to honor Mattapoisett's highway surveyor knew it even before learning of Governor King's proclamation naming Friday, November 6, at Massachusetts' Manny Nunes Day. The guest of honor, newly released from Tobey Hospital, wouldn't have missed this event. Manny and Marion Nunes were present throughout and were recipients of plaudits from a range that included town, county, state and national honor in Manny's field of highway builders who saluted his distinguished career.

Selectman John DeCosta was master of ceremonies. Senator William Q. MacLean brought greetings from the Massachusetts Senate as well as personal praise. Representative Walter Silveira, Jr. brought good wishes from the Massachusetts House

of Representatives. A distinguished list of State and County highway representatives presented proclamations, plaques and mementoes to mark the occasion. Chairman of the Board of Selectmen William F. Hubbard presented a belt buckle from the Board scrimshawed with Manny's well-known red pick-up truck.

More tangible than all the plaques and gifts was the genuine affection of all those present for a man whose public service to Mattapoisett spans well over half a century. Marion Nunes, in an emotion-filled thank you, singled out among the hundreds present retired Selectman Lester Crampton, celebrating his 89th birthday. Lester, she said, did it all as executive secretary, clerk and selectman all rolled into one. Manny Nunes has also done it all from the same period on to the present and, on Friday, he savored the rewards of doing it very well.

This Appreciation Day at White's Restaurant was arranged by committee members John DeCosta, Robert Gingras, Joseph

New Athletic Field

Ground breaking for a new athletic field took place on Industrial Drive, Mattapoisett Saturday, November 7th. The undertaking is sponsored by the Mattapoisett Lions Club.

King Lion Paul Levine has unveiled a plan that will provide, in the first stage, a baseball diamond and a soccer field. Later development may include tennis courts and a basketball court.

The athletic field will be built on the site of the old dump off North Street.

Labor and equipment for transporting the required fill from Fairhaven will be provided over several weekends by the Army Corps of Engineers. Funding for the considerable amount of fuel required will be by the Lions' Club.

Levine pointed out that this major pro-

Legion Installation

FLORENCE EASTMAN POST

The Florence Eastman Post 280 Joint Installation was held Saturday, October 17th at the Legion Hall in Mattapoisett.

The installing officer for the Auxiliary was District Director Helen Richardson. Ms. Richardson was pleased to install Mrs. Florence Heuberger, Acushnet Road, Mattapoisett as Auxiliary President.

Mr. Harold Peck, 10th District Commander, was the installing officer for the post.

Installed as post commander was Mr. Frank Suzan of Mattapoisett, the first Vietnam veteran to attain this honor. It is hoped with the installation of Mr. Suzan that many of the Vietnam veterans in the Mattapoisett area will not hesitate to call the new commander for advice and suggestions.

Members of Post 280 are reminded that dues for 1982 are presently due. Even if you have not received a notice, please pay your dues as soon as possible. The regular notice has been delayed due to a computer mix-up at National Headquarters.

Council on Aging

MATTAPOISETT

In this week's issue of Presto Press Seniors will find our ad for Minibus trips scheduled for November. Please cut out this ad and save for reference. Please remember, except for trips when we specify a specific time and date for registration, reservations are taken beginning a week in advance. For reservations call at (or phone 758-3758) the Town Hall, Room 202, Monday through Friday between the hours of 9:00 a.m. and 12:00 noon.

In checking over our schedule we only note one trip that we think is new to you, and we will have literature available shortly at the Council on Aging. This is our trip to the Brockton Art Museum, which we believe that you will find different and unusual. Because the Museum management is arranging a special morning tour with a guide (they usually open at one o'clock), we are very anxious to have a full bus of 14 people. They have their own restaurant there, and we can plan to eat there.

Again, may we say that we would like to see new faces on our trips. Perhaps this museum trip will appeal to some of you who have not gone with us recently.

Sippican Seniors

"What to eat instead of meat" is the topic which Mrs. Louise Freeman, an extension home economist from Bristol County Agricultural School, will present to the Sippican Seniors on November 12th. The meeting will be held at 1:30 p.m. in the Congregational Church Community Center. Members are asked to take a plant for the sale which we hope will add to our Scholarship Fund. PLEASE help.

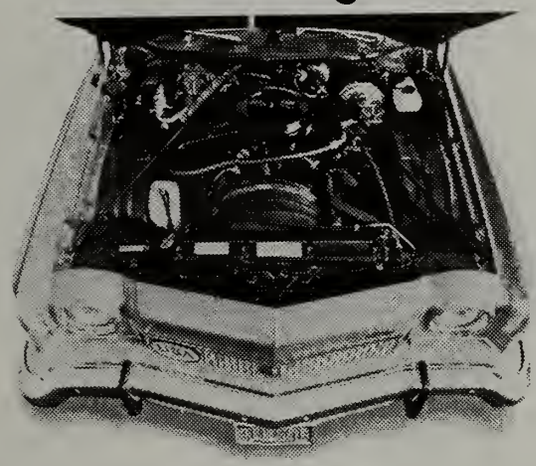
A dirty cooling system is destroying this engine and you can't even see the damage.



There's more to your car's cooling system than meets the eye. In fact, the inner-workings of your engine and automatic transmission depend on proper cooling.

A dirty cooling system will allow deposits to accumulate in the crankcase. This build-up of deposits can result in costly repairs.

But you can help avoid this expense and inconvenience with WYNN'S X-TEND Power-Flush and WYNN'S X-TEND Cooling System products. A new approach to cleaning and maintaining your automobile's entire cooling system while helping to maximize cooling system efficiency.

WYNN'S X-TEND Power-Flush unit uses pressurized water and air to flush the cooling system — including even those hard-to-reach areas.

Your automobile manufacturer recommends cooling system maintenance on a regular basis, so act now. Because when you can see the damage, it'll be too late.

Brownie Troop 158

On Wednesday, November 4, Mattapoisett Brownie Troop 158 held an Investiture ceremony at the Congregational Church hall. An investiture is when a girl becomes a Brownie, receiving her Brownie pin and wearing her uniform for the first time. Barbara Braga, service unit administrator for Rochester-Mattapoisett, was invited to attend along with the girls' families and friends. Those becoming Brownies were Angela Cook, Leigh Gaspar and Abby Smith.

Area League of Women Voters invited Marion Police Chief, Brian Scott, and the O.R.R.H.S. Guidance Counselor, Barbara Meehan, to attend the state League's monthly Public Policy Forum on Juvenile Justice. The Massachusetts justice system for dealing with juveniles was described as being one of the most advanced in the nation, but improvements could still be made. Probate officers should have more formal knowledge of adolescent behavior and psychology. Juvenile judges were reported to be lacking in self-esteem since their rank is thought to be the lowest in the hierarchy of judgeships.

The next Public Policy Forum will be "Global 2000" on Wednesday, November 18, from 10:00 a.m. to 12:30 p.m. at the Federal Reserve Bank in Boston. Tickets will be sold at the door.

This forum will report on the affects by the year 2000 of over-population, pollution, depletion of natural resources, and the threatening political instability caused by the disparities between rich and poor nations.

Mattapoisett Seniors

The Rev. Ernest Cockrell, rector of St. Gabriel's Episcopal Church, Marion, will be the guest speaker as members of the Mattapoisett Seniors' Club meet on Thursday, November 12th, at 1 p.m. in St. Anthony's Church Hall. His topic will be "Stone Rubbing and Needlepoint". He will display samples of both the rubbings and handwork.

Parent Communication Group

A parent training group focusing on communication and management skills will begin on Wednesday, November 18th, at 7:30 p.m. in the Old Rochester Regional Junior High School library.

Geared to parents of adolescents, this eight session course intends to provide experiences in communication and problem-solving using techniques which have grown popular among

viding". Included in her presentation were: various kinds of child care, helpful hints while babysitting, personal characteristics of a good babysitter, and responsibilities (both personal and emergency) of a child provider. The students were conducted through a dramatization of a typical evening caring for a one year old and a three year old to see if they would respond responsibly to certain hypothetical situations.

A poll of the 125 students present indicated that more than three-quarters of them had actually been put in charge of caring for younger children. In case you're wondering what the going rate for babysitting is, most students are paid between $1.25 - $1.75 per hour - with one young lady stating that she was lucky enough to be making $3.75 per hour.

This was the fifth in the current series of presentations relating to the recently initiated UPLIFT program at the junior high school. Each week the students are being exposed to speakers and topics which are not necessari-

"attempting" to get into some sort of reasonable shape.

Unfortunately, many of us do it incorrectly, or inappropriately; the result being - the inevitable injury.

In spite of the obvious advantages of being youthful, our young people are just as likely to incur the injuries of their aging counterparts. That's why Dr. Joseph Costa was recently invited by Team 7E as a guest speaker at the junior high. His topic - sports medicine.

He talked about muscles, tendons, ligaments, and cartilage (all too familiar terms

to many of us). He explained to the students exactly what was involved in "getting into shape"; that it was, in fact, maximizing the muscles' ability to utilize oxygen brought on by moderate physical stress 3 to 4 times a week. According to Dr. Costa, "One can tune up in about six weeks, but can detune in about two weeks of inactivity". In addition to answering dozens of concerns voiced by the students, Dr. Costa emphasized four major areas: nutrition (especially carbohydrates), fluid replacement, the taking of salt tablets, and the impact of smoking on athletes. He stressed to the young people that just a little smoking can decrease the efficiency of lung operation by 25%. He noted, too, that many athletes took amphetamines during the sixties to increase their abilities, but these same athletes today are medical "disasters" suffering from a high percentage of heart attacks and related problems.

HALLOWEEN TREAT

On Thursday, October 29, several students from Team 7 West and 8 South visited the kindergartens at Sippican School to read Halloween stories and deliver Halloween treats. This was a culminating activity for the Halloween projects that Mrs. LaFleur and Mrs. Harriman had their students do.

Several weeks ago Mrs. LaFleur, 7 West English teacher, and Mrs. Harriman, 8 South English teacher, teamed up to explain their

JENNIFER RILEY, ONE OF THE STUDENT REPRESENTATIVES WHO READ THE HALLOWEEN STORIES TO THE AFTERNOON KINDERGARTENERS AT SIPPICAN.

Halloween project to both teams. Each student wrote an original Halloween story on the pre-primary to primary level. Once finished the students designed a cover and copied their stories into book form, complete with illustrations. Miss Therrien's home economics classes made Rice Krispies treats in the shape of pumpkins. On Thursday, these treats and the books were distributed to both the morning and afternoon kindergartens in Marion. Student representatives from each team were taken to the school Thursday to read the stories to the kindergarteners.

Marion was chosen as the receiving school since Mrs. Harriman's son started school this year with M'Lou Douglass. The project was so successful that a similar one is planned for Christmas for the Rochester kindergarteners and at Easter for the Mattapoisett kindergarten classes.

On Friday, October 30, the GLD class at the junior high also received books and treats.

During the entire project, photography classes under Mrs. Tinkham at the high school photographed the various stages of development of the project; a scrapbook will be compiled. Finally, the office area was decorated last week with a display of the students' work.

COMMUNITY
CAROL SING

On the 6th week till Christmas
My true love said to me,
We're going to sing some Carols
With the whole community!

Save December 22nd for the Mattapoisett Woman's Club-sponsored community caroling party. We will be gathering at 7:00 p.m. at Shipyard Park. After a few minutes of caroling there, we will make our way through the village, singing and meeting old friends.

At the Congregational Church, we will warm up with some final carols and hot chocolate.

The carol sing is for the whole community, so remind your family and neighbors to keep this date free.

4H Horse Club

The Tails and Trails 4-H Club had its first meeting in September. This year's officers are: president, Cheryl Souza; vice president, Chris Knight; treasurer, Sheri Souza; news reporter, Leanne Bessette; secretary, Renee Jagielski; and food chairman, Kerri Lynn Nichols. Many of the members attended the first judging of the year in Cohassett where we judged hunters and appaloosas; also there was a judging at Ashland Stables in Mattapoisett on November 8. It was hosted by Mary Ellen and John Bernier. We judged Morgans and pleasure horses. The club will hold its annual award night on November 11 at the Mattapoisett Congregational Church at 7:00 p.m. Awards will be presented to the most spirited and active members. Also we will be giving out the yearly pins and seals to last year's members. Parents are welcome to attend this award presentation.

On Friday, November 6, the club members attended an award night for all of Plymouth County. An overall most spirited award was given to Kim Knight, a five year member of the Tails and Trails.

Also, high point awards will be given to the members who did well in the county judging and horsebowl competition.

SATURDAY PROGRAM - NOVEMBER 14

The petrified remains of plants and animals that lived millions of years ago tell a fascinating story of climate, life histories, alien life forms, and even the story of the earth's continental land masses. On Saturday, November 14th, Museum Director Bob Bailey will present an "Introduction to Fossils" using the Museum's collections which include ammonites, trilobites and dinosaur tracks. This program is open to 5 year olds and up. The program starts at 2:00 p.m. and there is a small charge.

MATH MEET

The first Math Meet of the year was held at the Junior High School recently and interested students from both the 7th and 8th grades competed against each other. A team of 10 students from 7W and 8N received 89 points, just beating the 7E and 8S team who received 86 points. Top scorer in the event was Tim Sperry of the 8th grade, who received 16 out of a possible 18 points.

Mr. Cameron of the High School officiated at the event, and plans to continue the Math Meets throughout the school year. Aided by Junior High math teachers, these afternoon events are planned for the enjoyment of interested math students at the Junior High School.

The Impossible Dream

Curious wharfgoers have marveled at the strange craft at the east end of Long Wharf. Seemingly Cleopatra has come ashore from an exotic barge equipped with oil drilling towers. Obviously, the Polynesian prau inspired the builder who used the banana shaped hull with the high rise bow and stern strapped to an outrigger of the same shape with two steel struts, one fore and one aft. The sheer size of the craft is startling. It is 80 feet in length and with a beam of 45 feet. The main hull, on the port side, contains the living quarters and the wheel housing and controls. The craft is an engineering marvel since the power is hydraulic. Two engines in the outrigger power screws mounted in hydraulically raised pods to reduce drag when the boat is under sail. Giant sideboards, also hydraulically raised and lowered, serve as keel when under sail. The

a huge steel boom. The wheel was fore and aft to allow easy conn in both directions. The hulls of ferro cement (chicken wire reinforced concrete), the steel work and maze of wiring and hydraulic line took the builder 10 years and over $100,000 in material to complete. Reportedly, it never sailed but did 11 knots under power. Daniel Briggs, present owner and salvager, said the builder abandoned plans to sail his "Heretic" around the world and wishes to remain anonymous. Ecumenical Fast

COMMUNITY FAST FOR A WORLD HARVEST SET FOR NOVEMBER 19th

For the 8th year the Marion Ecumenical Council is sponsoring a day of fasting in order that starving people be fed. People are encouraged to refrain from eating on Thursday, November 19, -- the week before Thanksgiving Day -- and send whatever money not spent to the Marion Ecumenical Council. The Council has found Ox-Fam, a non-profit, non-denominational organization founded at Oxford, England, to be the best channel for translating American dollars into food and getting it to those in need. (Ox-Fam was the only organization allowed into Cambodia, and it was through their efforts that an entire people was saved from starvation.) The figures are staggering: 57 million people starve to death each year, 460 million are chronically undernourished, 28 people are dying in our world each minute as a consequence of hunger - 3/4's of them children.

This is the chance for each person to participate practically and emotionally in

TRU-TEST PAINTS
PAINTING HELP SPOKEN HERE.

BY Bonnie Blaire
TRU-TEST COLOR CONSULTANT

Dear Bonnie:
Why does the paint, that I chose so carefully to match my carpet sample, look dark and heavy now that it's painted on the wall?
Signed Disappointed

Dear Disappointed:
Yours is a case of "over matching." Often the best answer is **not** an exact match. Rather try to choose a color that, when painted on the wall, **seems** to match the carpet. To find this color, hold your carpet sample directly under the light in the Tru-Test Custom Color Selector. Then view your paint sample in the wall position (at right angles to the carpet). You will see that it takes a color several shades lighter than the carpet to match it in this position.

Any color will appear lighter or darker according to how much or how little light it reflects. Your floor reflects more light than any other plane in the room. Walls reflect much less light (the ceiling least of all). So to make your wall color seem to match your floor choose a light color.

meeting this tragic problem. Last year's focus was on drought-stricken parts of Africa; this year much of the food will head for Honduras where thousands of refugees from El Salvador are starving. Fast for a World Harvest on November 19 and send your check to Marion Ecumenical Council, Box 545, Marion, MA. 02738, or bring it with you to the Community Thanksgiving Service at Saint Gabriel's Episcopal Church, Marion, at 7:30 p.m. on Thanksgiving Eve, November 25.

Musical Comedy

"THE APPLE TREE" AT ART CENTER

"The Apple Tree", a musical comedy in 3 acts opened at the Marion Art Center last weekend and will be repeated again this Saturday and Sunday, November 14 and 15th at 8 p.m.

Reservations may be made by calling the Marion Art Center at 748-1266. All tickets must be picked up by 7:45 p.m. the evening of the performance. To guarantee your seats, please stop by the Marion Art Center Wednesday through Saturday from 1 to 4 p.m. and pick up your tickets.

The first act which features Karen Chase, Greg Leonard and Mary Carol Sanz, all members of the "Unexpected Company", is an interesting account of Adam and Eve as seen by Mark Twain. "The Lady and the Tiger", adapted from a story by Frank R. Stockton, takes place in a barbaric rock and roll kingdom. Terri Cabral of "Your Theatre", Jim Bruce and Rick Bonnar from the "Unexpected Company" are featured as Princess Barbara, Captain Sanjar and King Arik. Oh, to be a

movie star .... that's what Jules Feiffer had in mind when he wrote "Passionella", the third act featuring Ann Brush as the sniveling chimney sweep turned to gorgeous movie star by her fairy godmother, Mary Carol Sanz, only with a bit of a twist to the old story by having Prince Charming played by Jim Bruce be a rock idol. Lending support to the featured players are Linda Blanchette, Lisa Cutler, Sheila West and Bob Reed.

The production is under the direction of Christopher Gaucher. Music is by Paul Sardinha.

Holiday Craft Show

Forty-five professional craftsmen from New England will be selling their wares at the 6th Annual Holiday Arts and Crafts Show on Sunday, November 15th, from 10:00 a.m. to 5:00 p.m. at the Hawthorne Country Club, Tucker Road, North Dartmouth.

The Jimmy Fund in Boston will receive a donation as a result of this show.

Marion Flotilla

The end of October spells the end of regular operations for the Marion Flotilla 1-607 of the U. S. Coast Guard Auxiliary. This year the three operational facilities - D B K and TRIVIA of Marion, and SCOTCH MIST of Onset - performed 46 scheduled patrols. This involved 281 hours on patrol and 749 man-hours, and resulted in 15 assists important enough to be given case numbers by Woods Hole C.G. These ranged from towing disabled vessels to the tragedy off West Island.

The Auxiliary has handled approximately one-third of the Coast Guard's Search and Rescue cases in the First C.G. District, which comprises Maine, New Hampshire, Massachusetts and Rhode Island. In 1982 the Coast Guard predicts one-half of the load to be handled by the all volunteer civilian auxiliary. Any citizens over the age of 17 years and interested in helping the Coast Guard perform its duties are invited to contact the Flotilla for information.

The Marion Flotilla assisted the Old Colony EMT's in the two day Water Extraction and Helicopter Evacuation exercises held recently in Mattapoisett. With the advent of cold weather, interested groups are reminded that the flotilla has a Hypothermia presentation

which has proven very successful in the past. The presentation can be tailored to the needs of senior citizens, hunters and fishermen, campers, boaters, kids, etc.

The Flotilla is currently conducting a Boating Safety and Seamanship course for Powerboaters. This will be finishing in a few weeks. The popular Sailing and Seamanship 13 lesson course will begin in January. Look for announcements beginning in December.

On Monday nights, a Basic Qualification course is being taught for people joining the Auxiliary. Interested folks are invited to visit the Flotilla Headquarters - downstairs in the Marion Music Hall, more commonly known as the V F W meeting place, and now the temporary home of the Elizabeth Taber Library. The classes meet at 7:00 p.m. and last until 9:00 p.m. The flotilla monthly meeting will be held on Tuesday, November 17th, at 8:00 p.m. - visitors are welcome. National School Volunteer Award Program, sponsored by the Tupperware Home Parties. The Program will receive a cash award of $1,250.00 and up to $300.00 reimbursement for conference expenses.

M.O.P. is a career awareness program for the 130 fifth and sixth graders attending Sippican School. After preparation in interviewing techniques, all students participate in a round robin session with at least 12 different representatives of the world of work. The sixth graders, after intensive research into a particular career, spend substantial time on the job with a cooperating business representative.

Mrs. Lynn Paulsen, V.A.S.E. Program Coordinator for M.O.P. and Mr. Michael D. Ward, Principal of the Sippican School and originator of the M.O.P. Program, attended the National School Volunteers' Conference at the Washington Marriott Hotel in Washington, D.C. They accepted an Apple Tree Award and special recognition during a tea at the home of Mrs. Barbara Bush, wife of the Vice President of the United States. The Program was officially announced as a winner during the Conference Recognition Luncheon on November 7th.

Chicken Pie Supper

The Marion United Methodist Church will hold a Chicken Pie Supper on Thursday, November 12 in the Parish Hall adjoining the church on County Road. The menu will consist of chicken pie, squash, potatoes, peas and grapenut pudding, with rolls and butter, cranberry sauce and relishes. Beverages will include apple cider, coffee and tea. To help alleviate crowding at this popular supper, there will be continuous sittings from 5:30 to 7 p.m. Reservations must be made in advance by calling 748-0093. Come and bring a friend to enjoy good food and fellowship.
